## **Detailed Contents**

| Case Histories  | XX   |
|---|------|
| Preface   | xxii |
| Acknowledgments   | xxiv |
| About the Authors   | XXV  |
| 1. History and Definitions of Family Violence                   | 1    |
| Violence in Families  | 2    |
| Intrafamilial Nonfatal Abuse                                    | 3    |
| Intrafamilial Fatal Abuse                                       | 4    |
| Why Are Families Violent?                                       | 5    |
| Discovering Family Violence: How Social Conditions Become       |      |
| Social Problems   | 8    |
| Discovering Child Maltreatment: The Historical Context          | 10   |
| Discovering Intimate Partner Violence: The Historical Context   |      |
| The Co-occurrence of Child Maltreatment and Marital Violence    | 18   |
| International and Understudied Groups in the Discovery of       |      |
| Family Violence   | 18   |
| Defining Family Violence: Understanding the Social Construction |      |
| of Deviance Definitions   | 22   |
| Corporal Punishment   | 22   |
| Defining Rape   | 22   |
| Defining Family   | 22   |
| Defining Violence   | 23   |
| Defining Family Violence  | 23   |
| Legally Defining Family Violence                                | 24   |
| Monetary and Other Costs of Family Violence                     | 25   |
| Practice, Policy, and Prevention Issues                         | 26   |
| Intervention Strategies   | 29   |
| Common Myths About Family Violence                              | 33   |
| Goals of This Book  | 36   |
| Chapter Summary   | 36   |
| Discussion Questions  | 37   |

| 2. Research Methodology, Assessment, and Theories of Family Violence | 39 |
|--|----|
| Studying Family Violence: A Multidisciplinary Effort                 | 40 |
| Sociological Research  | 43 |
| Social Work Research   | 43 |
| Criminological Research  | 43 |
| Psychological and Psychiatric Research                               | 44 |
| Public Health and Medical Research                                   | 44 |
| Neuroscience and Genetics Research                                   | 44 |
| Legal Research   | 45 |
| Cross-Cultural/Global Inquiry  | 45 |
| Biobehavioral Research: An Emerging Field                            | 45 |
| Interdisciplinary Science  | 45 |
| Expansion of Federal Government Research                             | 46 |
| Section Summary  | 46 |
| Theoretical Explanations for Family Violence                         | 46 |
| Macrotheory: Explaining Patterns of Family Violence                  | 47 |
| Microtheory: Explaining the Behaviors of Individual                  |    |
| Violent Family Members   | 49 |
| Correlates and Single-Factor Variables Related to Family Violence    | 55 |
| Multidimensional Theories  | 57 |
| Section Summary  | 57 |
| Methodology: How Researchers Try to Answer Questions                 |    |
| About Family Violence  | 58 |
| Sources of Data  | 60 |
| Assessment and Research Design Issues                                | 63 |
| Family Violence Scales and Measurement Issues                        | 67 |
| Statistical and Evaluation Matters                                   | 72 |
| Practice, Policy, and Prevention Issues                              | 75 |
| Research Issues  | 75 |
| Practice Issues  | 78 |
| Advocacy Issues  | 80 |
| Policy Implications  | 80 |
| Section Summary  | 80 |
| Discussion Questions   | 82 |
| 3. Child Neglect and Psychological Maltreatment                      | 83 |
| Scope of the Problem   | 84 |
| What Is Child Neglect?   | 84 |
| Definitions of Child Neglect   | 85 |
| Typologies of Neglect  | 89 |
| Cross-Cultural Abuse   | 92 |
| Section Summary  | 93 |
| ,  |    |

| Prevalence/Incidence of Child Neglect                                     | 93  |
|---|-----|
| Official Estimates  | 93  |
| Self-Report Surveys   | 94  |
| Section Summary   | 95  |
| Effects of Child Neglect  | 95  |
| Early Neglect   | 95  |
| Unique Effects  | 96  |
| Expanded Research on the Effects of Neglect                               | 96  |
| Attachment Difficulties   | 96  |
| Minnesota Longitudinal Study  | 98  |
| Cognitive and Academic Deficits   | 98  |
| Emotional and Behavioral Problems   | 98  |
| Physical Consequences   | 99  |
| Section Summary   | 100 |
| Characteristics of Neglected Children and Their Families                  | 101 |
| Characteristics of Neglected Children.                                    | 101 |
| Disabled Children in Eastern Europe                                       | 102 |
| Characteristics of Neglectful Parents                                     | 103 |
| Parent-Child Interactions   | 104 |
| Section Summary   | 104 |
| Child Psychological Maltreatment  | 104 |
| Lack of Focus on Child Maltreatment                                       | 105 |
| Scope of the Problem  | 106 |
| Section Summary   | 112 |
| Children Exposed to Interparental Violence                                | 112 |
| Co-occurrence of Child Abuse and Domestic Violence                        | 112 |
| Defining Exposure to Interparental Violence                               | 113 |
| Prevalence of Exposure to Marital Violence                                | 114 |
| Effects of Children's Exposure to Interparental Violence                  | 114 |
| Section Summary   | 116 |
| Characteristics of Maltreated Children and Their Families                 | 117 |
| Characteristics of Maltreated Children                                    | 117 |
| Resilient Children  | 117 |
| Characteristics of Maltreating Parents                                    | 118 |
| Section Summary   | 118 |
| Explaining Child Neglect and Child Psychological Maltreatment             | 119 |
| Parenting Problems in Neglectful and Psychologically Maltreating Families | 120 |
| Section Summary   | 123 |
| Methodological Issues Pertaining to Effects Research                      | 123 |
| Practice, Policy, and Prevention Issues                                   | 125 |
| Practice (Treatment) for Child Neglect and Psychological Maltreatment     | 126 |
| Section Summary   | 130 |
| Policy Issues   | 132 |
| Section Summary   | 136 |
| Discussion Questions  | 138 |

| 4. Child Physical Abuse  | 139 |
|--|-----|
| Scope of the Problem   | 140 |
| What Is Child Physical Abuse?  | 140 |
| Definitions of Child Physical Abuse                                    | 141 |
| Physical Punishment and Child Rearing                                  | 142 |
| Physical Discipline—The Debate   | 142 |
| Section Summary  | 145 |
| Prevalence/Incidence of Child Physical Abuse                           | 146 |
| Official Estimates   | 146 |
| Injuries   | 147 |
| Child Death Review Teams   | 148 |
| Neonaticidal Mothers   | 148 |
| Self-Report Surveys  | 149 |
| Trends in Rates of Physical Abuse                                      | 150 |
| Section Summary  | 151 |
| Effects of Child Physical Abuse on Children                            | 152 |
| Long-Term Effects Associated With Child Physical                       |     |
| Abuse (CPA)  | 154 |
| Physical and Mental Health   | 154 |
| Criminal and Violent Behavior  | 154 |
| Substance Abuse  | 155 |
| Socioemotional Difficulties  | 155 |
| Mediators/Moderators of Abuse Effects                                  | 156 |
| Expanded Discussion of Individual Effects of Child                     |     |
| Physical Abuse   | 157 |
| Medical and Neurobiological Problems                                   | 157 |
| Cognitive Problems   | 159 |
| Behavioral Problems  | 159 |
| Difficulties Related to Psychopathology                                | 162 |
| Research Issues  | 163 |
| Section Summary  | 163 |
| Characteristics of Children Who Are Physically Abused                  | 164 |
| Age  | 164 |
| Gender   | 165 |
| Related Variables  | 165 |
| Race   | 165 |
| Characteristics of Adults Who Physically                               |     |
| Abuse Children   | 167 |
| Age  | 167 |
| Gender and Parental Type   | 167 |
| Race   | 168 |
| Relationship of Perpetrator to the Abused Child                        | 168 |
| Nontraditional Parenting   | 169 |
| Psychological, Interpersonal, and Biological Characteristics of Adults |     |
| Who Physically Abuse Children  | 170 |

| Expanded Discussion of Psychological, Interpersonal, and            |     |
|---|-----|
| Biological Characteristics of Adults Who Physically Abuse Children  | 171 |
| Biological Factors  | 171 |
| Emotional and Behavioral Characteristics of Perpetrators            | 171 |
| Family and Interpersonal Difficulties of Perpetrators               | 171 |
| Section Summary   | 172 |
| Explaining Child Physical Abuse                                     | 173 |
| The Individual Psychopathology Model—Mentally Ill Parent            | 173 |
| The Difficult Child Model   | 176 |
| Parent-Child Interaction Model                                      | 177 |
| Social Learning Theory  | 178 |
| Situational and Societal Conditions                                 | 178 |
| Stress  | 179 |
| Cultural Acceptance of Corporal Punishment                          | 180 |
| Risk Factors for Child Physical Abuse                               | 181 |
| Polyvictimization/Overlapping Risk Factors                          | 182 |
| Protective Factors That Reduce Likelihood of Abuse                  | 182 |
| Contemporary Theories of Child Physical Abuse                       | 182 |
| Section Summary   | 183 |
| Practice, Policy, and Prevention Issues                             | 183 |
| Practice (Treatment) for CPA  | 183 |
| Policy Toward Physical Child Abuse                                  | 188 |
| Research Issues   | 191 |
| Prevention of Child Physical Abuse                                  | 191 |
| Grandparenting  | 192 |
| Section Summary   | 193 |
| Discussion Questions  | 194 |
| 5. Child Sexual Abuse   | 195 |
| Scope of the Problem  | 196 |
| What Is Child Sexual Abuse?   | 196 |
| Defining Sexual Abuse   | 197 |
| Normal Touching   | 200 |
| Prevalence of Child Sex Abuse                                       | 200 |
| Disclosure Variability  | 200 |
| Memory Issues, CSA, and Disclosure                                  | 202 |
| Estimates of Child Sexual Abuse                                     | 206 |
| Official Estimates  | 206 |
| Self-Report Surveys   | 208 |
| Trends in Reported Child Sexual Abuse                               | 209 |
| Section Summary   | 210 |
| Searching for Patterns: Characteristics of Victims and Perpetrators | 210 |
| Characteristics of Sexually Abused Child Victims                    | 210 |
| Characteristics of Child Sexual Abuse Perpetrators                  | 214 |
| Section Summary   | 218 |

| Dyrnamics and Consequences Associated With Child Corred Abuse  |   |
|--|---|
| Dynamics and Consequences Associated With Child Sexual Abuse   | 219   |
| Dynamics of Child Sexual Abuse   | 219   |
| Child Pornography  | 221   |
| Prostitution   | 221   |
| Effects of Child Sexual Abuse  | 222   |
| Initial Effects  | 222   |
| Long-Term Effects of Child Sexual Abuse  | 225   |
| Explaining the Variability in Effects of CSA   | 227   |
| Reactions to Disclosure  | 228   |
| Section Summary  | 228   |
| Explaining Child Sexual Abuse  | 229   |
| Focus on the Victim  | 230   |
| Focus on the Offender  | 230   |
| Focus on the Family  | 234   |
| Focus on Society and Culture   | 234   |
| Integrative Theories   | 235   |
| Section Summary  | 235   |
| Practice, Policy, and Prevention Issues  | 236   |
| Practice (Treatment) Issues  | 236   |
| Policy for Child Sexual Abuse  | 242   |
| Prevention of Child Sexual Abuse   | 244   |
| Section Summary  | 247   |
| Discussion Questions   | 248   |
|  |   |
| 6. Abused and Abusive Adolescents  | 249   |
| 6. Abused and Abusive Adolescents Parental Abuse of Adolescents  | <b>249</b> 250  |
